# Get Around All-Rounder

A lifestyle statement that says as much about your personality as where you want to go, this head-turning, street-smart all-rounder is more than a stylish commuter. Sporting breathtaking acceleration and optimized fuel economy, and an accommodating 20.6 liter luggage compartment that provides more than ample room for your helmet and riding gear. Plus, the sleek city dimension makes every ride - whether it's to the school or office, shopping runs - a sheer exciting.

## Address

Titan Black (YVU)

Powerful and economical engine

Underseat storage

Front inner pocket

- 113cm<sup>3</sup>, 4-stroke, 1-cylinder, air-cooled, SOHC, fuel-injected engine for polished performance, especially at low and medium speeds.
- The fuel injection system works with six sensors, such as throttle position, atmospheric pressure, intake pressure, temperature, speed, and exhaust oxygen (O<sub>2</sub>) is aggregated in the ECU (Engine Control Unit) computer to precisely control the fuel-injection system in realtime. This precise injection quality leads to the optimum level of engine performance and efficiency.
- Fuel economy figure is 2.1L/100km in WMTC mode. With the 5.2L fuel tank, its riding range is 247km.\*1
- The 20.6 L capacity underseat storage accommodates a full-face helmet, as well as ample space to store riding gloves, raingear, and other small items in a recessed rear area of the compartment.\*2
- Reinforced hooks on both left and right sides allows for helmet stowage and convenience when parked.

- Convenient front inner pockets are located behind leg shield. Both left (600 ml) and right (500 ml) inner pockets provide ample room together with covered key functionality layout above the right pocket. (Total maximum weight 1.5 kg)
- The ignition key cylinder is veiled by a shuttered cover, which is opened and closed using a magnet embedded on the tip of the key. Covered keyhole helps to prevent the motorcycle theft.
- The ignition key has seat opener function too. It is able to open the seat easily by just turning the ignition key to left.
- When parked with the side stand, the rear brake can be locked in the engaged position. This system helps to stabilize the rear tyre from movement.
- A side stand switch prevents engine ignition, while the side stand is down.
- Fuel tank capacity is 5.2 L regardless its compact design.

- The large floorboard provides plenty of space to accommodate shoes of many sizes. And cutaway floorboards enables easy feet reach to the ground.
- A large-capacity rear carrier comes as standard equipment and can be fitted with a genuine accessory top case. (Maximum weight 5 kg)
- The roller bearing on the rocker arm smoothly opens and closes the valves, contributing to further friction reduction between them and the camshaft.
- The camshaft design offers improved profile efficiency, which ideally controls the amount of valve lift as well as improve combustion efficiency and reduced engine noise.
- Designed for easy visibility, the large speedometer is located in the center panel. To further ensure at-a-glance viewing of current speed and malfunction indicator, fuel gauge, high beam indicator, each gauge is separated by raised dividers.

## Specifications

Engine Type	4-stroke, 1-cylinder, liquid-cooled, SOHC	
Engine Displacement	113 cm <sup>3</sup> (6.9 cu.in)	
Bore x Stroke	51.0 mm × 55.2 mm	
Compression Ratio	9.4 : 1	
Transmission	CVT	
Overall Length	1,845 mm (72.6 in)	
Overall Width	665 mm (26.2 in)	
Overall Height	1,095 mm (43.1 in)	
Wheelbase	1,260 mm (49.6 in)	
Ground Clearance	120 mm ( 4.7 in)	
Seat Height	755 mm (29.7 in)	
Curb Mass	100 kg (220lbs)	
Suspension	Front	Telescopic, coil spring, oil damped
	Rear	Swingarm type, coil spring, oil damped
Brakes	Front	Disc
	Rear	Drum
Tires	Front	80/90-14M/C 40P, tubeless
	Rear	90/90-14M/C 46P, tubeless
Ignition Type	Electronic ignition (Transistorized)	
Fuel Tank	5.2 L (1.4 US gal)	

## Colors

Pearl Brilliant White (YUH)

Metallic Triton Blue (YSF)

Specifications, appearance, colors (including body color), equipment, materials and other aspects of the "SUZUKI" products shown in this catalogue are subject to change by Suzuki at any time without notice, and they may vary depending on local conditions or requirements. Some models are not available in some regions. Each model may be discontinued without notice.
