

SUZUKI

Way of Life!

BURGMAN 400 ABS

The Elegant Athlete

It fits well, like a fine handmade suit. It rides comfortably and performs like a champion. It manoeuvres brilliantly. And it delivers a winning combination of stylish design, practicality and convenience. The BURGMAN 400 – bringing greater class and pleasure to your journey.

BURGMAN 400 ABS

Metallic Mat Black No.2 (YKV)

LED headlight

Link-type monoshock rear suspension

Underseat storage space

- A slimmer, sharper and sexier design at both the front and rear ends compared to the previous model.

- Sharply styled dual LED headlights with integrated LED position lights.

- Sharply sculpted independent LED rear combination lamps express elegance and agility.

- Sporty coupe-like design fits the latest market trends.

- 20mm thicker seat cushion compared to the previous model offers the rider luxurious comfort.

- Cut-away footboards and a slim seat design make it easy to reach the ground.

- The adjustable rider's seat backrest provides optimal support and comfort.

- Spacious 42-litre underseat storage can hold two helmets (one full-face and one demi-jet helmet) or other gear.*

- * Helmets of certain shapes may not fit in the underseat compartment.
- * The weight limit for items in the underseat compartment is 10kg.

- Multi-function instrumentation keeps the rider fully informed.

- Two front compartments*1 provide space for stowing maps and other smaller items, and one houses a 12V DC outlet*2 for charging electronic devices.

- *1 The weight limit for items in the left storage bay is 0.5kg. The weight limit for items in the right storage bay is 1.5kg.

- *2 To prevent draining the battery, please make sure to use the outlet only while the engine is running.

- A rear brake lock system and chain lock gate for locking the scooter bring great reassurance.

- The 400cm³ DOHC engine delivers instant response and powerful acceleration.

- The air cleaner box helps produce low-to-midrange torque and a pleasing intake sound.

- The iridium spark plug contributes to combustion efficiency and power output.

- Dual front disc brakes, a rear disc brake, and Antilock Brake System (ABS).

- Link-type monoshock rear suspension with 7-way adjustable spring preload.

- The 15-inch front wheel features a bold image and look of stability.
